BRIEF ABSTRACT OF LETTER

x7 With reference to Govt order dated 22.10.1924 requests Sanction for empowering Deputy Commissioners districts to Sanction the execution of Mysore Works costing up to Rs 5000 only through the Railway Agency, as agreed to by the Chief Commissioner in Delhi.

NOTES AND ORDERS.

1) The Kolar District Deputy Commr's letter dated 21.2.1940 explains the necessity for the proposal subject for order

One of the reasons advanced by the D.C. Kolar is that technical men, like Subordinates have been appointed in all the Taluks to work under the Amildars & that they can efficiently supervise the work - whether all over there are overseers

possessing sufficient experience & whether their work does not call for any supervision by persons possessing greater Engineering Skill are also matters for consideration. The Ag. Comte of the other than Mr Adam do not appear to have been consulted in the matter.

So far as I see -

1. The Rs 1 returns asked for by the Chief Engineer may be sanctioned

GENERAL SECRETARY.

SIR,

Execution of Muzrai [illegible] the Public Works Department.

Adverting to G.O.No.827-9/Mu[illegible]1-39-40 dated 3-10-1940, I have the honor to forward herewith a copy of letter No. C.1446/39-40 dated 21-9-40, received from the Deputy Commissioner, Kolar District, on the above subject; and to state that it is requested therein that the Deputy Commissioners of districts may be empowered to sanction the execution of Muzrai works costing, not exceeding Rs. 1,000, in cases other than the P.W.D., as Revenue Agency Contractors in this work are not efficiently in view of the fact that Sanitary Inspectors and Sub-Overseers have been appointed in all the Taluks, whose duties, in addition, in connection with the Rural Water Supply Scheme etc.

The Chief Engineer who was consulted in the matter has no objection to the proposal of sanction of the Deputy Commissioners for the execution of Muzrai works costing up to Rs. 500 through the Revenue Agency, if agreeable to the same (vide his letter No.[illegible] dated 30-8-40).

In the circumstances, I request that the sanction of Government may kindly be obtained for empowering the Deputy Commissioners, to sanction the execution of Muzrai [illegible] only, through the Revenue Agency.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

Kolar Letter No.A3-C.3336/39-40 dated 21-3-40 from the Deputy Commissioner Bangalore District, to the Muzrai Commissioner in Mysore.

Subject:- Re. Execution of Muzrai Works by Agencies other than Public Works Department.

I have the honor to state that the Deputy Commissioners have been empowered to sanction estimates for Muzrai Works not exceeding Rs.1,000 while all the estimates of murrai works costing over Rs.250 would be invariably executed by the Public Works Department. The Government in their Order No. 327-9/Muz.41-2J-8 dated ~~11/22nd~~ 11th/22nd October 1938, have authorised you that permission may be granted to execute Muzrai Works costing Rs 1,000 under the supervision of the Agencies other than Public Works Department.

Estimates of Muzrai works costing more than Rs 250 are increasing and their execution under the supervision of the Revenue Agency is urged repeatedly by the devotees, Dharmadarsis and local officers as it would be advantageous to have the works done by devotees and persons interested in their well-being. When some of the Institutions (mostly village and minor) are not in a position to meet even the cost of the estimates of Muzrai works, it will be an additional burden if they are demanded to pay tools and plant charges also, as it will be an inevitable item if the works are given for execution to Public Works Department. The revenue agency can get the works executed efficiently, especially in view of the fact that technical men like Sub Overseers have been appointed in all the Taluks to work under the Amildars in connection with the Rural Water Supply Scheme.

I am, therefore, of opinion that the Deputy Commissioners may be empowered to order the execution of the Muzrai Works costing not exceeding Rs 1,000 by the Agencies other than Public Works Department. This will minimise correspondence and prevent delays and inconveniences.

I request that sanction of Government may kindly be obtained to modify the rule.
